

# Information Sharing Online eLearning Modules

## Module 1 - General overview of information sharing reforms

Video introduces and provides an overview of the three Victorian Government reforms. It outlines the general context and rationale for the information sharing reforms and MARAM – how they work and how they intersect with each other and MARAM, including where to obtain further information and support.

## Module 2 - Information Sharing Schemes and introduction to MARAM

Provides general overview of the reforms, when to use FVISS and CISS and how the information sharing schemes work together.

**Both Sharers and Leaders must complete this prior to completing modules below. The below modules can be completed in any order.**

### Sharers and Leaders to complete

#### Module 3 – FVISS

Establish a deeper understanding of FVISS and obtain overview with practical application of the FVISS Guidelines
