- (4) A person must comply with a request made by an authorised person (conduct) under subregulation (2) or (3).
Penalty: 5 penalty units.

PART 5 – PARKING AT DESIGNATED PARK AND RIDE FACILITIES

Division 1—Preliminary

48 Purpose of Part

The purpose of this Part is to regulate the parking of motor vehicles at designated park and ride facilities so that parking bays at those facilities are available for users of public transport at times when those facilities are most used.

49 Meaning of driver

In this Part *driver* means a person who is driving, riding, or otherwise in control of a motor vehicle.

Division 2—Parking in public transport parking area

50 Application of Division

This Division does not apply to—

- (a) a person leaving an exempt vehicle parked in the course of the person's duty as the driver of an exempt vehicle; or
- (b) a person leaving a motor vehicle parked in the course of the person's duty as the sheriff, the deputy sheriff or a sheriff's officer (within the meaning of the **Sheriff Act 2009**); or
- (c) a person leaving a motor vehicle parked in a public transport parking area if the person—
 - (i) has been authorised to do so under regulation 62 in respect of the designated park and ride facility at which the area is located; and
 - (ii) complies with the conditions, if any, to which the authorisation is subject; or
- (d) a person leaving a motor vehicle parked in compliance with a direction given under regulation 63(1); or
- (e) a person leaving a tow truck parked while the person is engaged in loading, towing or connecting to a vehicle referred to in rule 312(3) of the Road Rules if—
 - (i) the tow truck displayed a flashing light while it was left parked; and
 - (ii) the person acted safely while the tow truck was left parked; and
 - (iii) the person left the tow truck parked for no longer than was necessary to engage in loading, towing or connecting to the other vehicle.

Note

Regulation 6 provides that an authorised person (conduct) and an employee, contractor or agent of a passenger transport company, a rail freight operator or Rail Track are not liable for an offence under these Regulations for anything done in the course of duty by that person.

51 Person who leaves motor vehicle parked must use public transport

- (1) A person must not leave a motor vehicle parked in a public transport parking area at any time between 6 a.m. and 7 p.m. on a business day unless—
 - (a) any of the following persons validly uses public transport at any time between 12 a.m. on that day and 2 a.m. on the next day while the motor vehicle remains parked—
 - (i) the person who parks the motor vehicle;
 - (ii) a person who is a passenger in the motor vehicle when it is parked;
 - (iii) a person who removes the motor vehicle from the designated park and ride facility at which the public transport parking area is located;
 - (iv) a person who is a passenger in the motor vehicle when it is removed from the designated park and ride facility at which the public transport parking area is located; or
 - (b) regulation 52, 53 or 54 applies.
- Penalty: 3 penalty units.
- (2) If a person leaves a motor vehicle parked in contravention of subregulation (1) for longer than one day—
 - (a) only one criminal proceeding in respect of an offence against subregulation (1) may be commenced in respect of those circumstances; and
 - (b) only one infringement notice in respect of an offence against subregulation (1) may be issued in respect of those circumstances.

Note

An infringement notice served in respect of the offence in subregulation (1) is a parking infringement and the operator onus provisions in Part 6AA of **Road Safety Act 1986** apply.

52 Exception—person who does not leave park and ride facility

A person does not contravene regulation 51(1) if—

- (a) the motor vehicle is parked for no longer than 1 hour; and
- (b) while the motor vehicle is parked, the person does not leave the designated park and ride facility containing the public transport parking area at which the motor vehicle is parked.

Examples

- 1 A person may park in a public transport parking area at 8 a.m. on a business day and, without leaving the designated park and ride facility, drop off a passenger at the railway station at which the area is located.
- 2 A person may park in a public transport parking area at 5.30 p.m. on a business day and, without leaving the designated park and ride facility, collect a passenger from the railway station at which the area is located.

53 Exception—emergencies and other Road Rules matters

A person does not contravene regulation 51(1) if—

- (a) the person leaves the motor vehicle parked in the public transport parking area because the vehicle is disabled, and the person leaves the vehicle parked for no longer than is necessary for the vehicle to be moved safely to a place where the person is permitted to park the vehicle under the Road Rules; or
- (b) the person leaves the motor vehicle parked in the public transport parking area to deal with a medical or other emergency, or to assist a disabled vehicle, and the person leaves the vehicle parked for no longer than is necessary in the circumstances; or
- (c) the person leaves the motor vehicle parked in the public transport parking area because the condition of the person, a passenger or the vehicle makes it necessary for the person to leave the vehicle parked in the interests of safety, and the person leaves the vehicle parked for no longer than is necessary in the circumstances; or
- (d) the person leaves the motor vehicle parked in the public transport parking area to comply with a provision of the Road Rules, and the person leaves the vehicle parked for no longer than is necessary to comply with the provision.

54 Exception—using public transport without valid ticket but taking all reasonable steps

- (1) Regulations 12 and 14 of the Transport (Ticketing) Regulations 2006 apply to the prosecution of a person for an offence against regulation 49(1) as if—
 - (a) a reference to a charge under regulation 6(1) or 7(2) were a reference to a charge for an offence against regulation 51(1); and
 - (b) a reference to the person charged were a reference to any of the following persons who, at any relevant time, travelled in a passenger vehicle without being in possession of a valid ticket for that travel—
 - (i) the person who parked the motor vehicle;
 - (ii) a person who was a passenger in the motor vehicle when it was parked;
 - (iii) the person who removed the motor vehicle from the designated park and ride facility at which the public transport parking area is located;
 - (iv) a person who was a passenger in the motor vehicle when it was removed from the designated park and ride facility at which the public transport parking area is located.
- (2) In this regulation—
relevant time means a time—

- (a) between 12 a.m. on the day on which the offence is alleged to have been committed and 2 a.m. on the next day; and
- (b) during which the motor vehicle remained parked in the public transport parking area.

Division 3—Removing a motor vehicle parked at a public transport parking area

55 Application of Division

This Division does not apply in relation to—

- (a) the removal of an exempt vehicle by a person in the course of the person's duty as the driver of an exempt vehicle; or
- (b) the removal of a motor vehicle by a person in the course of the person's duty as the sheriff, the deputy sheriff or a sheriff's officer (within the meaning of the **Sheriff Act 2009**); or
- (c) the removal of a motor vehicle from a designated park and ride facility by a person who—
 - (i) has been authorised to do so under regulation 62 in respect of the facility; and
 - (ii) complies with the conditions, if any, to which the permission is subject; or
- (d) the removal of a motor vehicle in compliance with a direction given under regulation 63(1); or
- (e) the removal of a motor vehicle that was parked in compliance with a direction given under regulation 63(1); or
- (f) the removal of a tow truck that is loaded with or towing, or connected to, a vehicle referred to in rule 312(3) of the Road Rules.

Note

Regulation 4 provides that an authorised person (conduct) and an employee, contractor or agent of a passenger transport company, a rail freight operator or Rail Track are not liable for an offence under these Regulations for anything done in the course of duty by that person.

56 Person removing motor vehicle must have valid ticket

- (1) A person who removes from a designated park and ride facility a motor vehicle that was parked in a public transport parking area at the facility at any time between 6 a.m. and 7 p.m. on a business day (*the relevant day*) must, unless regulation 58, 59, 60 or 61 applies, have in the person's possession, or be accompanied by a passenger who has in that person's possession, a valid ticket for travel at a relevant time.

Penalty: 3 penalty units.

- (2) In this regulation—
relevant time means a time—
 - (a) between 12 a.m. on the relevant day and 2 a.m. on the next day; and
 - (b) during which the motor vehicle remains parked in the public transport parking area.
- (3) The offence in subregulation (1) is an operator onus offence for the purposes of Part 6AA of **Road Safety Act 1986**.

57 Request to produce valid ticket

- (1) This regulation applies if—
 - (a) a motor vehicle was parked in a public transport parking area at any time between 6 a.m. and 7 p.m. on a business day (*the relevant day*); and
 - (b) a person (*the driver*)—
 - (i) is removing the motor vehicle from the designated park and ride facility at which the public transport parking area is located; or
 - (ii) is driving or riding the motor vehicle in the designated park and ride facility towards an exit of the facility for the purpose of exiting the facility; or
 - (iii) has just driven or ridden the motor vehicle from the designated park and ride facility.

- (2) An authorised officer may, at or in the immediate vicinity of the designated park and ride facility, request the driver to produce for inspection, from the possession of the driver or from a passenger in the motor vehicle, a valid ticket for travel at any time—
 - (a) between 12 a.m. on the relevant day and 2 a.m. on the next day; and
 - (b) during which the motor vehicle remained parked in the public transport parking area.
- (3) A person must comply with a request made under subregulation (2) unless regulation 58, 59, 60 or 61 applies.
Penalty: 3 penalty units.
- (4) The offence in subregulation (3) is an operator onus offence for the purposes of Part 6AA of **Road Safety Act 1986**.

58 Exception—person who does not leave park and ride facility

A person does not contravene regulation 56(1) or 57(3) if—

- (a) the motor vehicle is parked for no longer than 1 hour; and
- (b) while the motor vehicle is parked, the person does not leave the designated park and ride facility containing the public transport parking area at which the vehicle is parked.

Examples

- 1 A person may park in a public transport parking area at 8 a.m. on a business day and, without leaving the designated park and ride facility, drop off a passenger at the railway station at which the area is located, and then remove the motor vehicle without producing a ticket referred to in regulation 57(2).
- 2 A person may park in a public transport parking area at 5.30 p.m. on a business day and, without leaving the designated park and ride facility, collect a passenger from the railway station at which the area is located, and then remove the motor vehicle without producing a ticket referred to in regulation 57(2).

59 Exception—use of public transport by certain other persons

- (1) A person does not contravene regulation 56(1) or 57(3) if any of the following persons validly used public transport at a relevant time—
 - (a) the person who parked the motor vehicle in the public transport parking area;
 - (b) a person who was a passenger in the motor vehicle when it was parked in the public transport parking area.
- (2) In this regulation—
relevant time means a time—
 - (a) between 12 a.m. on the business day in relation to which the offence is alleged to have been committed and 2 a.m. on the next day; and
 - (b) during which the motor vehicle remains parked in the public transport parking area.

60 Exception—emergencies and other Road Rules matters

A person does not contravene regulation 56(1) or 57(3) if—

- (a) the motor vehicle is parked in the public transport parking area because the vehicle is disabled, and the vehicle is left parked for no longer than is necessary for the vehicle to be moved safely to a place where it is permitted to park the vehicle under the Road Rules; or
- (b) the motor vehicle is parked in the public transport parking area to deal with a medical or other emergency, or to assist a disabled vehicle, and the vehicle is left parked for no longer than is necessary in the circumstances; or
- (c) the motor vehicle is parked in the public transport parking area because the condition of the driver, a passenger or the vehicle makes it necessary to park the

vehicle in the interests of safety, and the vehicle is left parked for no longer than is necessary in the circumstances; or

- (d) the motor vehicle is parked in the public transport parking area to comply with a provision of the Road Rules, and the vehicle is left parked for no longer than is necessary to comply with the provision.

61 Exception—using public transport without valid ticket but taking all reasonable steps

- (1) Regulations 12 and 14 of the Transport (Ticketing) Regulations 2006 apply to the prosecution of a person for an offence against regulation 56(1) or 57(3) as if—
 - (a) a reference to a charge under regulation 6(1) or 7(2) were a reference to a charge for an offence against regulation 56(1) or 57(3); and
 - (b) a reference to the person charged were a reference to any of the following persons who, at any relevant time, travelled in a passenger vehicle without being in possession of a valid ticket for that travel—
 - (i) the person who parked the motor vehicle;
 - (ii) a person who was a passenger in the motor vehicle when it was parked;
 - (iii) the person who removed the motor vehicle from the designated park and ride facility at which the public transport parking area is located;
 - (iv) a person who was a passenger in the motor vehicle when it was removed from the designated park and ride facility at which the public transport parking area is located.
- (2) In this regulation—
relevant time has the same meaning as it has in regulation 59.

Division 4—Miscellaneous

62 Authorisation to park, leave parked and remove a motor vehicle

- (1) A relevant body may authorise a person to do the following things without complying with regulations 51(1), 56(1) and 57(3)—
