What MARAM training sessions should I attend?

MARAM Collaborative Practice Training
All professionals who respond to family violence are encouraged to attend this training. The training focuses on collaborative practice and the foundational aspects of MARAM. It enables professionals to contribute to risk assessment and collaborate for ongoing risk management through respectful and sensitive engagement with victim survivors, information sharing, referral and secondary consultations.

Contact the Principal Strategic Advisor in your area for this training: https://www.thelookout.org.au/family-violence-workers/regional-integration

MARAM Comprehensive Family Violence Risk Assessment and Management (Newer Family Violence Specialists)
Professionals specialising in family violence who are newer to the field or those who have not completed Craf level 3
https://training.dvrcv.org.au/course-details/?course_id=58458&course_type=w

MARAM Brief & Intermediate
Professionals whose purpose of intervention is linked to family violence but not directly focused e.g. Child protection, Homelessness services, AOD, Mental Health etc
Your funding department will notify you when this training is available

MARAM Risk Identification and Screening
Professionals who may be identifying family violence e.g. Maternal Child Health, financial counsellors
Your funding department will notify you when this training is available

MARAM Leading Alignment
For leaders and Managers to understand the requirements under MARAM Framework
https://training.dvrcv.org.au/maram-details/?course_id=56808&course_type=w

• Managers supervising staff are encouraged to attend relevant MARAM training

Renewing Practice: CRAF to MARAM
For experienced specialist family violence professionals.
https://training.dvrcv.org.au/maram-details/?course_id=58807&course_type=w

MARAM Responsibilities: Decision Guide

STAFF ROLES

MARAM RESPONSIBILITIES

Responsibility 1: respectfully, sensitively and safely engage with clients
Responsibility 2: identify family violence
Responsibility 5: seek secondary consultation for comprehensive risk assessment, risk management and referrals
Responsibility 6: contribute to information sharing with other services (as permitted by legislation)
Responsibility 9: contribute to coordinated risk management
Responsibility 10: collaborate for ongoing risk assessment and risk management.

All staff in organisations prescribed under MARAM have the following responsibilities:

Responsibility 3: conduct intermediate risk assessment (using appropriate approaches, supported by appropriate tools)
Responsibility 4: conduct intermediate risk management

In addition to the above:

Responsibility 7: Conduct comprehensive assessment
Responsibility 8: Conduct comprehensive risk management and safety planning

Victim survivor brief tool, practice guidance and risk management resources:
- use in a short-term crisis situation, or where there is a brief window for engagement
- use with adult and child victim survivors.

Victim survivor intermediate tool, practice guidance and risk management resources:
- use if engagement is short- or long-term and allows time for more detailed assessment and holistic management
- use with adult and child victim survivors.

Perpetrator behaviour assessment tool, practice guidance and risk management resources:
- use if working directly with perpetrators, where safe to do so.

Comprehensive perpetrator risk assessment tool, practice guidance and risk management resources:
- use if working directly with perpetrators, where safe to do so.

Comprehensive victim survivor tool, practice guidance and risk management resources:
- use for comprehensive assessment conducted by a specialist practitioner
- use with adult and child victim survivors.

Identification and screening tool and practice guidance:
- use when family violence is suspected or identified
- use where organisational policy requires routine screening
- use with adult and child victim survivors
- use appropriate section on working with perpetrators, as relevant

Some specialists may work in environments which are predominantly at a higher tier (e.g. Capability Framework Tier 2, 3 or 4)

Screening and ID training

Brief and Intermediate training

Comprehensive training

The professional’s role:
- Addresses universal needs of service-users
- Is not primarily related to a person’s experience of family violence.

AND
They are in a position to identify or screen for family violence.

The professional’s role:
- is associated with family violence risk but is not focussed on this risk alone.
- engages with people in crisis situations or cohorts who are at high risk of experiencing or using family violence.
- involves therapeutic intervention, a crisis service, case management support or broader needs assessment and management.

AND
They can incorporate addressing family violence risk assessment and management in to their usual work.

The professional’s role:
- is directly related to increasing victim survivor safety or addressing perpetrator risk
- includes family violence case management, crisis services or family violence therapeutic interventions or provides sustained support including safety planning and risk management.

AND
They work with victim survivors and perpetrators of family violence in a specialist capacity.* ma
