***** This statement has been prepared based on information provided by your employer. The Portable Long Service Authority may, as required by law, audit, change or delete information shown on this statement if that action is deemed necessary.
Please note that this data does not include service with the Portable Long Service Authority or an interstate long service leave scheme for a period of 4 consecutive years. The Registrar may issue you a further written report.

1. Reporting period

This is the financial year the statement covers.

2. Worker details

On the left-hand side of this section are your personal details such as your name and address.

On the right-hand side is your Worker ID, the industry you have been registered in and the date the statement was issued.

If you work in more than one industry, you will receive a Worker ID and an Annual Statement for each industry.

4. Hours credited

Opening balance

The total hours of service credited to you at the beginning of the reporting period.

Total hours accredited for this year

The total number of hours you worked where you were eligible for portable long service, as reported by your employer.

Less credited hours used for Long Service Leave

Any long service leave that you have taken during the reporting period under another arrangement.

Current Long Service Entitlements (Hours)

This number will display as **0.00** until you are eligible to claim your portable long service benefit, usually after 7 years of service.

Once you are eligible to claim your benefit, this number will represent 1/60th of your total hours credited.
