

Site tree removal notice

The redevelopment site at Bangs Street, Prahran

Demolition works are progressing at the Bangs Street site

With demolition works progressing at the Prahran redevelopment site, the Department of Health and Human Services (the department) would like to notify you in advance of tree removal works scheduled to commence next week.

What you need to know:

- Demolition contractor, City Circle Group, will carry out the removal works
- City Circle Group will be commencing gradual tree removal works next week, and thereafter from late June, prior to the structural demolition of the buildings
- The trees involved are located within the boundaries of the Prahran redevelopment site
- Only trees where it is deemed necessary for demolition will be removed
- Demolition works are required to enable redevelopment of the site
- City Circle Group have consulted with Stonnington City Council and Council are aware of the removal of these trees
- The department has consulted with Stonnington City Council who have confirmed that all trees proposed for removal are not classified as significant, and therefore, are not covered under local significant tree protection laws.

If you have any questions, please feel free to contact the department using the contact details provided below.
