Advice

1 The Victorian Independent Remuneration Tribunal (Tribunal) advises the Major Transport Infrastructure Authority (MTIA) that it does not support paying the executive in the position of Director, Delivery – South Geelong to Waurn Ponds Duplication the total remuneration package (TRP) proposed.

2 The Tribunal advises that an appropriate TRP for the executive in this position is $425,000.

3 This TRP is 18 per cent above the maximum of the SES-2 remuneration band.

4 The Tribunal considers it appropriate that the executive be paid a TRP of $425,000 which exceeds the maximum of the remuneration band for the following reasons:

   (a) Relativities with comparable roles across the MTIA.

   (b) The skills and experience of the executive that are relevant to the position.

   (c) The scale and nature of project.

   (d) The skills shortages and market pressures within the transport infrastructure sector as identified in the submission.

5 The Tribunal notes that its advice must be sought again for a mid-contract remuneration adjustment, reappointment or a new appointment, if it is proposed to continue paying the executive above the maximum of the remuneration band.
