

1. What is the title/name of your nature-led community recovery project?

We will use this title/name in correspondence with you. Ensure that the name clearly communicates the purpose of your project.

2. Why do you want to do this project?

Please describe how your project will support a bushfire affected community or area.
Maximum 200-word limit

Applicants must demonstrate how the project will:

- benefit the community or area
- be shared with the community.

3. What are your project goals or aims?

Maximum 200-word limit

4. Please briefly describe how the bushfires impacted the community or area where your project will occur. Maximum 200-word limit

5. Have you engaged with your local Community Recovery Committee (where there is one)? The CRC can be contacted via the Community Recovery Hub - check BRV website for locations and contact details.

YES

NO

6. Where will the project be undertaken?

Note: suburb area will suffice or name of park or nearest location etc.

Street Address:

Town or Suburb:

Postcode:

Local Government Area:

7. Please explain what your project will deliver? Maximum 200 words limit.

Consider: This explanation should include a description of what the project will provide/deliver, i.e. what it will do (eg. citizen science data, a local activity or event, an art installation, signage, sharing stories of hope and recovery) and the social benefits (e.g. enhanced wellbeing) for the local community.

8. What assistance would be helpful for the success of your project?

Maximum 200-word limit.

Consider: For example, help from ecologists/experts from ARI/Zoos Victoria on nature recovery, scientific/species/citizen science advice, project management, mentoring, permit advice, physical help.

9. How might your project provide long term improvements or awareness for or awareness of the natural environment? Maximum 200-word limit

10. Are you a part of a Traditional Owner Group or will you engage or involve your local Traditional Owner organisation/group to advise about or seek advice or partnership in your project (either directly or via the Community Recovery Committee)?

YES

NO

11. Are you (and/or other leaders of your project) willing to provide information on project evaluation? (Evaluate the process and what your project achieved?).

YES

NO

12. Proposed start date:

13. Proposed end date:

14. What is the cost of your project? You can apply for grants up to \$5,000.

Estimated total cost (\$):

Grant amount requested:

Provide a breakdown of the funding requested:

15. Who, or what organisation will be responsible for managing the funds?

Please include the ABN if available.

16. What do you need to start your project? (Apart from funds, e.g. approval from the Local Government Authority, recruit participants etc.) Maximum 200-word limit

Contact your local community
hub coordinator for assistance.
