

Tell us how to make public and community housing better for tenants and people who need a home

This form was created by the Social Housing Regulation Review to support tenants and people experiencing homelessness to share ideas for making social housing better, including applying for housing and being on the waiting list. We will not publish or share your email address or any identifying information about your submission.

Have you ever applied for social (public/community) housing?

YES / NO

Have you been a public or community housing tenant?

YES / NO

Was it easy for you to apply for housing? What would you change to make it better?

Based on your experiences, what would you change or fix about the housing system?

What support do people need to get into housing and to keep their home long-term?

What else do you want to tell the Victorian Government about public and community housing?

Leave your email address here if you want to get updates (your email will be kept private):
