LCV endorses fair information handling practices and uses of information in compliance with its obligations under the *Privacy and Data Protection Act 2014* (Vic). Personal information collected from you is only used for the purposes of the application for the licence or permit and Acts administered by LCV.

# Restricted club licence

## Restricted club licence

A restricted club licence authorises the licensee to supply liquor on the licensed premises to a member of the club, an authorised gaming visitor or a guest of a member for consumption on the licensed premises. It also authorises the licensee to supply liquor to members of the public at a function or club event held on the licensed premises until 11pm.

## Application fee

If you are paying by cheque or money order you must submit your payment with your application. If your application is incomplete or incorrect, we will return your cheque or money order to you. If you wish to pay by credit card and if your application is complete and correct, we will contact you for payment. Otherwise we will let you know that we have not accepted your application. If your application is granted the renewal fee for the following year is due every year by 31 December. This is regardless of when your licence is issued. A renewal notice will be issued prior to the due date detailing how to make payments.

## Declaration of the right to occupy the premises

For a licence to be issued, the applicant must have the right to occupy the premises. You will need to provide a declaration of your right to occupy the premises once the lease agreement has been executed and/or settlement has occurred for the sale of the property and/or you have otherwise acquired the legal right to occupy the premises (i.e. you are the freehold owner of the premises, the Certificate of Title is in your name or your name is on the executed lease agreement etc).

If you do not have the right to occupy when you lodge your application, you will need to provide a declaration form once you have acquired the right to occupy the premises. Please send or email LCV your declaration form.

## Declaration of associates

The purpose of the declaration of associates form is to identify an applicant's associates. The application must be accompanied by a completed declaration of associates form from the body corporate advising of its associates, and each director of the body corporate must complete this form separately.

## Display of application

A public notice must be displayed at the premises to which this application relates. Once your application has been accepted for processing, LCV will notify you or your representative in writing of the period the public notice must be displayed.

**Important: You must NOT display your public notice until LCV has advised you to do so.**

After the display of notice has ended, you must then lodge a 'Statement of display' to LCV certifying that you have undertaken a public notice of display. Please refer to the enclosed 'Guidelines for displaying public notices' and 'Statement of display'.

## Maximum patron capacity

Patron capacity is the maximum number of patrons allowed on the licensed premises at any one time. A maximum patron capacity is required to be endorsed on the licence.

Please refer to the 'Maximum patron capacity' fact sheet for information on what documentation is required to be submitted for LCV to determine a maximum patron capacity.

## Planning permission

A copy of a planning permit from the local council (or responsible planning authority) which shows that you have planning permission to supply liquor as outlined in your application. For example, this should show that you have planning permission for the activities permitted by the licence type, the trading hours you are applying for and the area where you would like to supply liquor (red-line area).

If a planning permit has not been granted at the time of application, you are required to provide a copy of an application for a planning permit made to the local council (or responsible planning authority).

Alternatively, you can provide evidence that a planning permit is not required to supply liquor as outlined in your application. For example, a letter from the local council (or responsible planning authority) or a copy of the relevant planning scheme.

## Red-line plan

When a liquor licence is granted, it is for a defined area. The defined area indicates where liquor can be supplied and consumed and is shown by a red-line drawn on a plan of the premises. A plan is required to be submitted to LCV as part of the application process and may also be required upon request at any time.

# Restricted club licence

## Current and Historical Company Extract – company applicants only

If you are applying for a licence in the name of a company you are required to provide a recent (no more than 90 days old) Current and Historical Company Extract from the Australian Security and Investments Commission (ASIC). Current and Historical Company Extract identifies the type, status, registered address, roles within the organisation, share structure, members and charges and documents lodged (current and historical) of organisations registered with ASIC.

When making a search application to ASIC, ensure that you specify that you require a Current and Historical Company Extract and not a Current Company Extract. A Current and Historical Company Extract identifies both current and historical information about the applicant, while the Current Extract identifies only current information.

You can purchase a Current and Historical Company Extract from the ASIC website at [asic.gov.au](https://asic.gov.au)

## Incorporated association information

If you are applying for a licence in the name of an incorporated association you must provide the certificate of incorporation, rules and minutes of the most recent meeting confirming the committee members.

## Body corporate definition

A body corporate is an organisation which has a separate legal status to its members (i.e. it can own property, sue and be sued, and enter into contracts in its own name). Examples of body corporates include companies, incorporated associations, incorporated partnerships, municipal councils and co-operatives. Unincorporated clubs/associations and unincorporated partnerships are not body corporates. A minimum of one director must reside in Victoria unless a proposed nominee has been nominated.

## Nominee definition

A body corporate may apply to LCV for the approval of a person to be the nominee of the applicant. Once approved, the nominee then becomes liable as if they were the licensee or permit holder. The nominee will cease being a nominee if they cease to manage or control the licensed premises. Where this occurs, the licensee or permit holder needs to notify LCV within 14 days. The nominee must reside in Victoria.

# Restricted club licence

This checklist details the documents required to accompany your application. Supplying these with your application will allow Liquor Control Victoria to commence assessment of the application and can reduce processing time. Your application may be returned if the accompanying documents do not meet the requirements below.

LCV may contact applicants to request additional documentation depending on the circumstances of their business. All forms are available on LCV website [liquor.vic.gov.au](http://liquor.vic.gov.au)

# Plans of licensed premises

When a liquor licence or BYO permit is granted, it is for a defined area where liquor can be supplied or consumed. This is shown by a red-line drawn on a plan of the premises. This plan needs to be submitted to Liquor Control Victoria (LCV) as part of the application process and may be required upon request at any time.

## The plan of the premises must accompany applications for:

- a licence or BYO permit excluding a pre-retail licence or a BYO permit for party bus
- a variation of a licence or BYO permit that involves a change to the size or perimeter of the licensed premises
- a transfer of a licence or BYO permit if the current floor layout of the premises differs from the plan held at LCV
- the relocation of a licence or BYO permit.

## Internal changes to premises

If a change is made to the internal area of licensed premises (for example, by adding or removing a particular structure), the licensee should submit an updated plan of the licensed premises.

## LCV requesting a plan

In addition to the above, under section 130(1)(a) of the *Liquor Control Reform Act 1998* an authorised person (such as a LCV Inspector or member of Victoria Police) may at any time request information relevant to the operations or the management of the premises. This may include a current plan of a licensed premises.

## Plan format

- be on suitably sized paper, minimum A4 size (graph paper is not acceptable)
- be drawn in ink and be neat and legible
- show the floor plan(s) of the owned or leased property
- note the size of the red-lined area in metres squared
- outline in red the boundaries of the proposed area to be licensed
- if the proposed area does not follow a physical barrier (such as a wall), describe what is being used to separate the area
- show clear and consistent measurements on the plan
- include the address of the premises
- include a compass point showing north and names of the surrounding streets
- show basic functions or fixtures, for example, bar and dining area/kitchen area or in the case of a packaged liquor outlet, shelf areas where alcohol is displayed and the cash register is located
- a plan should be drawn to a suitable scale so that all elements above are clearly identified. A suggested scale is 1:100 (1cm = 1m).

An example of a plan is provided below.

## Restaurant and cafe licences and On-premises licences

If applying for kerbside trading, identify the area to be licensed and separately outline this area in on the plan. LCV will mark this area with an A.A on the approved copy of the plan. This area is referred to as the Authorised Area.

### General licences

A general licence authorises the supply of liquor to patrons for consumption off the licensed premises, being a footpath or kerbside area. Therefore this area does not need to be identified on the plan.

Please note that licensees must comply with relevant local planning laws.

Where a proposed licensed or authorised area includes large outdoor spaces, a separate site plan must be provided that shows:

- the entire site including internal and external areas drawn to a suitable scale
- outline in red the proposed area that is to be licensed
- clear descriptions of how the proposed outdoor area will be distinguished (for example, fence, portable barriers, warning signs).

If the plan does not meet these requirements, the applicant will be required to resubmit the plan.

## Storing an approved plan

A copy of the approved plan must be kept on the licensed premises and must be available for inspection on request by a member of Victoria Police or a Compliance Inspector.

Failure to keep a copy of the plan on the licensed premises or produce a copy of the plan for inspection could result in a fine being issued.

If you do not have a copy of your approved plan, you can obtain a copy from LCV at no extra cost.

# Maximum patron capacity

Liquor Control Victoria (LCV) has a maximum patron capacity policy that guides how patron capacity is determined for a liquor licence.

Maximum patron capacity is the maximum number of patrons allowed on a licensed premises at any one time. This is to prevent overcrowding inside the venue and to minimise impacts on local amenity. Patron capacity may be used to calculate the application fee and annual licence fee payable by each licensee.

Applicants will be required to provide specific documentation in order for LCV to determine and endorse maximum patron capacity for a premises.

Under the *Liquor Control Reform Act 1998* (the Act) LCV can set a maximum patron capacity as a condition of a liquor licence. This is enforceable, and penalties apply for licensees who do not comply.

This factsheet explains how LCV determines maximum patron capacity for the purposes of the Act. It is the building owner's responsibility to ensure that building occupants comply with all other regulatory requirements.

## Licences with a maximum patron capacity

Maximum patron capacity will be endorsed in respect of applications for the following new licences:

- general
- on-premises
- restaurant and cafe
- late night (on-premises and general)
- full club
- restricted club.

Some existing licences may also be endorsed with maximum patron capacities.

Maximum patron capacities may also be required on some major event licences where appropriate.

## Determining maximum patron capacity

In the first instance, LCV will determine maximum patron capacity based on the maximum patron capacity stated within the most recently issued planning permit provided with the application.

If the planning permit does not contain a maximum patron capacity, or if the planning permit has not been granted by the local council prior to the grant of the liquor licence, applicants are encouraged to contact their local council to obtain a copy of an occupancy permit. LCV will then determine the maximum patron capacity based on the number stated on the occupancy permit.

In circumstances where neither the planning permit nor occupancy permit specify a maximum patron capacity, applicants are required to obtain a report from a registered building surveyor that states:

- the area in square metres available to the public for the whole of the internal premises (excluding toilets, passageways and the like) and (if applicable) for any external areas such as courtyards or decks, and
- the number of patrons that may be accommodated on the internal premises and (if applicable) on any external areas of the premises based on a ratio of one person per 0.75 square metres.

Please ensure that the report displays the building surveyor registration number.

**Note:** LCV may request a building report from a registered building surveyor showing a calculation based on a ratio of one person per 0.75 square metres if LCV considers that the capacity provided in the planning or occupancy permit is inaccurate or inappropriate. This may be requested in light of any information contained within the licence application and having regard to the objects of the Act.

## Restaurant and cafe licences

For restaurant and cafe licences, tables and chairs must be available for at least 75 per cent of patrons. For example, if the licence states that maximum patron capacity is 100 patrons then there must be tables and chairs available for at least 75 patrons. Likewise, if there are tables and chairs available for only 50 patrons, a maximum of 66 patrons may be legally accommodated on the premises.

## Patron capacity for specific areas

In addition to the overall maximum patron capacity for the licensed area, LCV may set separate patron capacities on specific areas within a licensed area, such as:

- balconies
- beer gardens.
- terraces and courtyards

Patron capacities allocated for specific areas are calculated in accordance with the methods listed above, as well as amenity considerations.

While LCV considers amenity as part of the patron number calculation, the relevant local council also retains responsibility for managing issues of amenity in each council region.

## External areas

The overall maximum patron capacity for a licensed area is generally no larger than the maximum capacity allowed for the internal area of the premises.

This is to prevent overcrowding, and minimise sanitation and fire safety risks associated with patrons moving from outdoor to indoor areas, for example, to get a drink, to exit the premises or if it rains.

In some circumstances, LCV may consider increasing the overall maximum patron capacity to allow for external areas.

Applicants with external licensed areas who wish to apply for this increase can submit a building report from a registered building surveyor demonstrating that fire safety and sanitation arrangements for the additional patrons will be met.

Features of an external area that may support an increase to the overall maximum patron capacity include:

- an external area that is large compared to the internal area, such as a large beer garden
- effective weather proofing
- separate entrances and exits
- separate facilities such as bars and toilets.

## Function and accommodation areas

Function and accommodation areas may be excluded from the overall maximum patron capacity, and may be given their own separate capacity limits.

# Training for liquor licence applicants

Training for licence applicants helps potential licensees to understand their obligations under the *Liquor Control Reform Act 1998* (the Act). Applicants must complete mandatory training requirements before a liquor licence is granted. There are three courses that applicants must complete depending on the licence type they are applying for. These are:

- New entrant training
- Responsible Service of Alcohol (RSA)
- Advanced Responsible Service of Alcohol (RSA)

It is the applicant's responsibility to ensure the correct course is completed and to provide evidence of completion with their application.

## New entrant training

New entrant training is a training course developed by Liquor Control Victoria (LCV) to ensure that liquor licence applicants have an adequate knowledge of liquor law. This includes:

- liquor licensing legislation
- best practice in managing licensed premises.
- understanding liquor licence obligations

The Act provides that LCV may refuse to grant a liquor licence application if the applicant does not have an adequate understanding of the Act.

Applicants are required to complete one of the approved training courses to meet the new entrant requirements.

The approved courses and listed providers are available at [vic.gov.au/new-entrant-training-licensed-premises](https://vic.gov.au/new-entrant-training-licensed-premises)

## Licensees requiring new entrant training

Applications for the following licences require evidence that the applicant has completed new entrant training:

- general
- on-premises
- packaged liquor
- late night (general, on-premises and packaged liquor)
- restaurant and cafe
- remote seller's packaged liquor
- full club
- restricted club
- producer's
- renewable limited
- transfer of an existing licence or permit.

## Applicants who must complete the training

The list below identifies who will need to complete new entrant training. If applying as:

In addition:

- all persons being appointed as a liquor licence nominee must complete new entrant training.
- all applicants seeking approval to sublet any part of the licensed premises, or to carry on the business of supplying liquor on the licensed premises, must complete new entrant training.

## Responsible Service of Alcohol (RSA)

RSA training provides licensees and staff who work in licensed venues with the skills and knowledge necessary to contribute to a safe, enjoyable environment in licensed premises.

Training must be completed with RSA approved provider. The list of the approved providers is available at: [vic.gov.au/responsible-service-alcohol-training#approved-rsa-training-providers](https://vic.gov.au/responsible-service-alcohol-training#approved-rsa-training-providers)

If you have completed your RSA training course more than three years ago, you can complete a RSA refresher course online at [liquor.vcglr.vic.gov.au/rsa\\_refresher/](https://liquor.vcglr.vic.gov.au/rsa_refresher/)

## Licences requiring RSA training

Applications for the following licences require evidence that the applicant has completed RSA training:

- general
- on-premises
- packaged liquor
- late night (general, on-premises and packaged liquor)
- restaurant and cafe
- full club
- restricted club
- producer's
- renewable limited (only where in person sales occur)
- transfer of an existing licence or permit.

## Applicants who must complete the training

The list below identifies who will need to complete RSA training. If applying as:

- individuals—all natural persons
- partnerships—all partners
- body corporate applicants (companies, incorporated associations, co-operatives or municipal councils)—the person who is or will be in management and control of the licensed premises and who will run the day-to-day operations of the business.

Note: On the application form, body corporate applicants must advise LCV of the person's name who manages or will manage the day-to-day operations of the business.

The approved RSA training course must have been completed within the past three years.

## Exemption from RSA training

In exceptional circumstances, a liquor licence applicant may seek an exemption from one or all of the RSA training obligations.

General, on-premises, packaged liquor or late night (general, on-premises and packaged) licence applicants must complete the 'Application for the exemption from the Responsible Service of Alcohol training requirements' form available at [vic.gov.au/responsible-service-alcohol-training](https://vic.gov.au/responsible-service-alcohol-training)

All other liquor licence applicants are required to write a letter to LCV detailing the reasons for seeking an exemption before the licence is granted.

## Advanced Responsible Service of Alcohol

The Advanced RSA training is designed for licensees, managers and staff of late night venues who often face a range of challenges and issues.

For new applicants, the Advanced RSA training program must be completed within six months of the licence being granted.

William Angliss Institute delivers the Advanced RSA training program. For further information about the course and how to book, please visit the William Angliss Institute website at [shortcourses.angliss.edu.au](https://shortcourses.angliss.edu.au)

## Licences requiring Advanced RSA training

Applications for the following licences must complete Advanced RSA training:

- new late night (general) or
- late night (on-premises) that authorises the supply of liquor after 1am for on-premises consumption.

This requirement does not apply in relation to late night (on-premises) licences with restaurant and cafe conditions.

## Applicants who must complete the training

The Advanced RSA training program must be completed by the holder of the licence and by the responsible person for the premises.

The holder of the licence means, in relation to a licence held by:

- a natural person, that person
- a partnership, one partner
- a body corporate incorporated under the *Corporations Act 2001*, one director, and
- an association incorporated under the *Associations Incorporation Reform Act 2012*, one committee member.

Responsible person is defined by section 3 of the Act as the person responsible for the management or control of licensed premises.

**Evidence of approved new entrant and approved RSA training courses must be provided to LCV prior to a liquor licence being granted, transferred or endorsed. You will be required to provide this evidence with submission of your application.**
