Child Employment Licence

When your child employment licence has been issued, it is available to access and download from the Portal. The licence document contains important information about your licence conditions.

You must keep a copy of the licence at any workplace where children will be employed under the licence, and must make it available on request to:

- any child employed under the licence
- any person employed to supervise those children
- any parent or guardian of those children.

Step 1) Log in to your Portal account and select 'My Submissions' to view your dashboard

Step 2) Click on the 'Child Employment Licences' tab to view your active licences

Step 3) Under the 'Child Employment Licences' heading, click on the CELD number
