Your child's record will appear

If your child has been absent recently, you will be prompted to select a reason for being absent, before signing them in for the current session

The highlighted section is for a previous date/session when your child was absent

Click **Select** and choose a reason for the absence

Click **Previous** to enter Reason for being absent for an earlier date if required.

Click **Sign in**

Now your child is signed in and you have added a reason for their previous absence
