

Research Permit Application - Wildlife

Wildlife Act 1975

Unsure if a permit is required? Please see the [pre-application checklist](#) for further guidance. Further information in relation to the application process is available from the [Conservation Regulator website](#). If you intend to conduct research on land managed by Park Victoria, you will also need to apply through [ParkConnect](#) for an Access Agreement.

* Denotes a mandatory field

1. Applicant details

Title	First name*	Other given names	Family name*
Date of birth*	Organisation		
Position / title*			
Email address*		Phone number*	
Street name*	City/Suburb/Town*	Postcode*	

2. Project details

Project title*		
Proposed start date*	Proposed finish date*	
Is this a renewal of an existing research permit?*		
Yes ☐	No ☐	
If yes, please provide details of previous permit below, and Victorian Biodiversity Atlas (VBA) reference number		
Permit no.	Expiry date	VBA Reference Number (Project ID)

Project aim*

Provide a concise overview of the project.

3. Wildlife species

Attach a separate page if necessary. Please list only the target species. List the maximum number animals to be used in the research for (up to) three years of your research activities.

Scientific name	Common name	Total no. of animals

4. Wildlife activities*

Please select all relevant boxes.

- ☐ Capture/trapping using
 - ☐ Netting (including cannon, fyke, gill, mist or dip nets)
 - ☐ Elliott or cage traps
 - ☐ Harp traps
 - ☐ Pitfall and/or funnel traps
 - ☐ Hair tubes/funnels
 - ☐ Capture by hand
 - ☐ Other (please specify)

- ☐ Translocation
- ☐ Methods causing potential behavioural changes (e.g. baited cameras; call play back etc)
- ☐ Taking of blood, tissue or other DNA samples
- ☐ Temporary marking
- ☐ Banding or ear tagging
- ☐ Microchipping
- ☐ Collection of biometric data
- ☐ Attaching telemetry devices
- ☐ Euthanasia
- ☐ Breeding in captivity *If yes, please provide information about how animals surplus to requirements will be disposed of.*

- ☐ Other (please specify)

5. Animal ethics approval

Animal ethics approval may be required for activities that include; collection of biometric data, tagging and attaching tracking devices, blood / tissue sampling, trapping, take from the wild and humane euthanasia. For further information visit <https://agriculture.vic.gov.au/livestock-and-animals/animal-welfare-victoria/animals-used-in-research-and-teaching/licensing-to-use-animals-in-research-or-teaching/activities-requiring-a-licence>

If you have obtained animal ethics approval please provide details below. A copy of the animal ethics application and approval must be submitted with the application.

Animal Ethics Approval Reference #

Approval date

Expiry date

6. Proposed research sites*

Please provide the location of proposed research sites. For example 'Mt Clay State Forest, or private property at 123 Long St Woorndoo or Lagoon Plateau Reference Area or various locations in Melton Shire. GPS coordinates are not required but may be included.

For the translocation of wildlife and/or take from the wild, you must include details on the location where wildlife will be kept, collected from and / or released.

If proposing to keep wildlife for longer than 24 hours, please include a complete address of where the animals will be held.

Please note, a research permit approved under the Wildlife Act 1975 does not convey the right of entry to any property or site (including public or Crown Land) to conduct authorised research activities. Prior permission from the landowner or manager is required.

7. Acknowledgment by applicant*

- ☐ I understand that there are penalties for making a false declaration and that any permit issued as a result of false or misleading information will be cancelled and may affect my eligibility for future permits or licences under the Wildlife Act.
- ☐ I declare that all details provided in relation to this application are true and correct.
