Zones for Night Bus network routes

The Night Network includes 21 regular routes that operate a 24-hour service on Fridays and Saturdays. In addition, there are 13 night specific routes that operate overnight on Friday and Saturday nights. These night only routes are listed below.

The Night Network provides public transport services throughout Friday and Saturday nights. To find the location of zone boundaries for Night Bus network routes, refer to the paragraphs and tables below.

In the following tables, a reference to all stops along a route to a particular bus stop means all stops along the route to that bus stop from the starting point of that route. A reference to all stops along a route from a particular bus stop means all stops along that route from that bus stop to the end of the route.

Unless specified, the starting point for all bus routes is the Melbourne CBD.

The following bus route is entirely within Zone 1: 947

The following bus routes are entirely within Zone 2: 943, 953, 965, 967, 978, 979, 981, 982.
